TEXTBOOKS

Middle/High School Only

We currently have a third party company, MBS Direct that buys and sells textbooks for grades 6-12. To purchase textbooks, the student needs a copy of his/her classes and can buy books online at www.scottsdalechristian.org (go to School Info – Middle/High School and click on textbooks) or by calling MBS at 1-800-325-3252. Please allow at least one week for shipping. There are used books available, but the quantities are limited. Certain books can be sold back to MBS at the end of the year for a portion of the price paid for them. MBS sends out emails at the end of the year quoting buyback prices, or the information may be found on the textbook link to their site (see above web address). Students have the option of purchasing their books from other sources as well, but are responsible for making sure they are purchasing the right books.
